

2004 SEMINAR SERIES

IN 2004 TRANSFORMING CULTURES (TFC) ARE PRESENTING A POSTGRADUATE STUDENT SEMINAR SERIES, GIVING STUDENTS THE OPPORTUNITY TO PRESENT A WORK-IN-PROGRESS PAPER AND RECEIVE SUPPORTIVE FEEDBACK FROM THIS SENIOR RESEARCH GROUP IN THE FACULTY.

FORMAT

Papers are circulated prior to the seminar, to which the student gives a 15 minute summary presentation. This is followed by a response from their supervisor and time for open discussion. We envisage the opportunity for lively intellectual exchange and interdisciplinary perspectives.
