Trans/forming Cultures eJournal

The Trans/forming Cultures eJournal is an open-access peer-reviewed publication of the Key University Research Centre in Communication and Culture, at the University of Technology Sydney. The journal is committed to the dissemination of cutting-edge cultural and social research. It supports project-based research on narratives of the local in Australia, and in the regions of the Pacific and Indian Oceans.

The mission of the Centre includes a determination to undertake research which involves interaction with communities in its definition, conduct and dissemination. We publish submissions from fellow academics, community members, and those who are working in the public service, in local industries and in community groups around the region.
